

# Raphaël Berthier

## Curriculum Vitae

☎ 06 14 64 49 00

✉ [raphael.berthier@ens.fr](mailto:raphael.berthier@ens.fr)

### Research

- Since 2018 **PhD in the SIERRA team (Paris ; INRIA, DI ENS, CNRS) under the supervision of Francis Bach and Pierre Gaillard.**
- Spring 2017 **Internship in Stanford University, under the supervision of Andrea Montanari, 4 months.**  
Subject : Compressed Sensing and Approximate Message Passing algorithms.

### Studies

- 2014-2018 **Studies at the Ecole Normale Supérieure Ulm (Paris).**
- 2016-2017 **Master 2 in probabilities and statistics, University Paris-Sud (Orsay).**
- 2015-2016 **Master 1 in fundamental mathematics, ENS Ulm.**
- Summer 2015 **Internship at Qucit (start-up in Bordeaux, France), 2 months.**  
Subject : statistical inference of urban movements, in particular using databases of bicycle-sharing systems.
- 2014-2015 **Bachelor of Science in mathematics and in computer science, "Licence" in french, ENS Ulm.**
- July 2014 **Admitted to the Ecole Normale Supérieure (Paris), competitive exam, section mathematics - physics - computer science.**
- 2012-2014 **Preparation for the competitive exam of the ENS, Mathematics and physics section, Preparation school of the Lycée Marcelin Berthelot, Saint-Maur-des-Fossés.**
- 2012 **Baccalauréat (french high-school degree), Scientific and international english sections.**

### Publications

- 2019 **R. Berthier, F. Bach et P. Gaillard, Accelerated Gossip in Networks of Given Dimension using Jacobi Polynomial Iterations**, accepted for publication in SIAM Journal on Mathematics of Data Science.
- 2017 **R. Berthier, A. Montanari et P.-M. Nguyen, State Evolution for Approximate Message Passing with Non-Separable Functions**, Information and Inference : a Journal of the IMA.

### Research talks

- Nov. 2019 **MIC group meeting, New York University.**
- Nov. 2017 **Golosino seminar, École Normale Supérieure, Paris.**

Nov. 2017 **SMILE seminar**, *Institut Henri Poincaré, Paris.*

Oct. 2017 **Seminar of the SIERRA team**, *INRIA Paris.*

---

## Teaching

2019 **Teaching assistant in statistical learning.**

Ecole Normale Supérieure, Paris

2014-2017 **Oral examinations in mathematics in "classe préparatoire" (equivalent to first and second year university students in mathematics).**

at the school Louis-le-Grand, in Paris,

at the school Marcelin Berthelot, in Saint-Maur-des-Fossés, France.
